Our Vmax cinemas feature stadium seating with giant state-of-the-art digital screens showing the latest Hollywood blockbusters or an amazing corporate event venue. Our seats have been exclusively designed to provide additional comfort through contoured high backs, tables and double the amount of leg room.

Travel first class at the movies with the laid back luxury of Gold Class. With wall to wall screens, fully reclining arm chairs and food and drinks delivered to your seat throughout the movie. Your team can arrive early and enjoy the Gold Class lounge and have a drink. It's the perfect place to entertain and begin to unwind before the movie even begins.

Dolby Atmos Sound takes Cinema experience to another level.
